MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM:
Director, Office of External Affairs

SUBJECT: Request for DCI Appearance - Senate Select Committee on Intelligence

1. The Subcommittee on Budget Authorization of the Senate Select Committee on Intelligence has invited you, Judge Webster, and General Stilwell to appear before the Subcommittee at 10:00 a.m., on Thursday, 16 December 1982, in S-407, The Capitol. The purpose of the hearing is to "examine topics of special interest to the review of the Fiscal Year 1984 budget request for FCI resources."

2. Staff has advised us that Chairman Malcolm Wallop really wants to explore policy issues in the counterintelligence area, and feels that your presence is necessary for a complete discussion. Judge Webster and General Stilwell both have scheduling conflicts on the day in question, but would resolve them and join you should you decide to attend.

3. feels that this topic can better be addressed in the new Congress. Rob Simmons has reiterated Chairman Wallop's personal desire, due to the Community nature of this issue, that it be done now and that you make the presentation.
